

Notice is hereby given that the remote  
**Rostherne Parish Council**  
**Bi-Monthly meeting**  
to be held on  
**WEDNESDAY 10th MARCH 2021 at 8pm**

## **AGENDA**

**1 Apologies:** To note apologies from those Councillors, absent from the meeting.

**2 Declaration of Interest:** Cllrs are to declare if they hold any interest on the agenda items.

**3 Guest speakers to deliver reports to the Cllrs:**

3.1 **Ward Cllr C Leach:** Invited to the meeting.

Actions: Questions that were raised from the last meeting are listed below in anticipation of updates:

3.1.1. In anticipation of the wish list the Cllrs have made it clear that the yellow lines opposite the Tatton park entrance need to be re-done as there are no continuous yellow lines clearly marked on the road.

3.1.2. The potholes are also very evident around the village are becoming worse and require immediate attention all over the parish. The roads are eroding, and this is extremely dangerous on Ashley Road and Rostherne, Cicely Mill and New Lane to motorists, pedestrians, and cyclists, especially when it is dark.

3.1.3 The Cllrs have asked for an update as the areas that have been discussed on the wish list do not benefit Rostherne itself in any way.

3.1.4 It has been requested that I contact Cheshire Police to report the roundabout as it is extremely dangerous as the road signs have yet again been demolished. The P/Cllrs have asked if you could also report to highways at Cheshire East as there are lots of incidents taking place and the Cllrs feel that this area is falling off the radar.

3.1.5 Cllrs have requested an update regarding the maintenance of the verge's around the roundabout area on the B5569, as the grass has been over 3ft high, of which is contributing to low visibility to motorists on this strip of road. The Cllrs have requested if you could arrange with Cheshire East, for them to provide 'an undertaking of a 3-year action plan' to be offered to Rostherne Parish Council, that details the maintenance work, that will be carried out on the dangerous weeds and verges on the B5569 going forward.

3.1.6 Highways Agency work, pumping out over eight tanker loads of water, Rostherne Lane near Hunters Moon is now passable. Can another undertaking of an action plan be sought to prevent one of the three access roads to Rostherne being cut off again to cars on an annual basis?

3.2 Tatton Group: Invited to the meeting.

3.3 Fisher German:

**4 Minutes & Matters Arising:**
